APPLICANT SIGNATURE

Applicant is responsible for payment of all fees and charges to this application and must provide the applicant and building owner signatures below

I hereby certify that the proposed work described on this application is authorized by the owner of record and that I have been authorized by the owner to make this authorized application as his/her agent. All of the information submitted on this application is accurate to the best of my knowledge. It shall be the duty of the holder of the building permit or their duly authorized agent to notify the building official when work is ready for inspection. It shall be the duty of the permit holder to provide access to and means for inspections of such work that are required by this code. When the applicant is a contractor, the owner signature is required in the "Owner Signature" space provided below. In lieu of the owner signature, other documentation verifying approval by the owner for the construction to occur under this permit may be accepted at the discretion of the department staff.

<i>Applicant Signature</i>	<i>Print Name</i>	<i>Date</i>
----------------------------	-------------------	-------------

BUILDING OWNER AFFIDAVIT / OWNER SIGNATURE (REQUIRED FOR WORK BY LICENSED CONTRACTOR)

I hereby authorize the Licensed Contractor noted above, to perform the work as described on page 2 of this application, at the job location shown above... or...

I hereby certify that the work described on this application shall be installed by myself in my own single family dwelling in which I am living or about to occupy. It shall be the duty of the holder of the building permit or their duly authorized agent to notify the building official when work is ready for inspection. I acknowledge the additional requirements of LTBB Permits as indicated on Page 4 of this application.

****Complete Demolition requires the following**
 Verification of Disconnect from applicable utilities
 Water Electrical Sewer

Permit and Application Additional Requirements

1. **MISS DIG.** Permit Holder must contact MISS DIG AT (800) 482-7171 AT LEAST TWO (2) FULL WORKING DAYS, BUT NO MORE THAN TWENTY-ONE (21) CALENDAR DAYS, BEFORE YOU START WORK. Permit Holder assumes all responsibility for damage to or interruption of underground facilities. For water systems at WahWahsNooDeKa Housing Development contact LTBB Facilities Department to mark at least two (2) full working days, but no more than twenty-one (21) calendar days, before you start work.
2. **NOTIFICATION OF START AND COMPLETION OF WORK.** Permit Holder must notify the Tribe at least 48 hours before starting work and must notify the Tribe when work is completed.
3. **SAFETY.** Permit Holder agrees to work under this permit in a safe manner and to keep the area affected by this permit in a safe condition until the work is completed. All work site conditions shall comply with Manual of Uniform Traffic Control Devices.
4. **LIMITATION OF PERMIT.** The permit does not relieve Permit Holder from meeting other applicable laws regulations of other agencies. Permit Holder is responsible for obtaining additional permits or releases which may be required in connection with this work from other governmental agencies, public utilities, corporations and individuals, including property owners.
5. **REVOCAION OF PERMIT.** The permit may be suspended or revoked at will, and the Permit Holder shall surrender this permit and alter, relocate or remove its facilities at its expense at the request of the Tribe.
6. **VIOLATION OF PERMIT.** The permit shall become immediately null or void if Permit Holder violates the terms of this permit, and the Tribe may require immediate removal of Permit Holder's facilities, or the Tribe may remove them without notice at the Permit Holder's expense.
7. **ASSIGNABILITY.** The permit may not be assigned without the prior approval of the Tribe. If approval is granted, the assignor shall remain liable and the assignee shall be bound by all terms of this permit.
8. **GIS WITNESSING.** Any structures to be erected shall have staking verified by LTBB GIS Department prior to construction/placement. Any utilities/underground infrastructure not to be placed on an as built by contractor must be witnessed by LTBB GIS department staff prior to covering.
