

MNOBIMAADZIWIN

The Good Life

Sponsored by The Little Traverse Bay Bands of Odawa Indians In Partnership with
The Harborage Program held at
Shay Elementary, 175 E. Lake Street, Harbor Springs

Land-based science activities that integrate Odawa cultural perspectives on land and resources. Fall programming focuses on utilizing GIS technology to map resources (wild rice & fish species) & harvesting resources.

**Open To All Area Schools
2nd to 8th Grades**

Snacks Provided

FEES

To participate in the Mnobimaadziwin Session is **FREE**
