

# Disposal of Assets Notice

September 14, 2016

The LTBB Maintenance Department is seeking to dispose of surplus equipment it has. In accordance with WAGANAKISING ODAWAK STATUTE 2012-015 ASSET DISPOSITION, the Maintenance Department has previously offered first right of refusal to all LTBB Governmental Departments and Enterprises on the surplus equipment listed below. No department expressed an interest in the equipment. We will now offer them to LTBB Tribal Citizens by way of sealed bid. All interested parties must submit a sealed bid by 4:00 P.M., September 29th, 2016 to the LTBB Accounting Department Attn: Mandy Szocinski.

Conditions:

- 1) All bids must be in writing.
- 2) All bids must be in a sealed envelope.
- 3) All bids must be signed and dated by the individual placing the bid.
- 4) All bids must include the name, address, enrollment number, and telephone number of the individual entering the bid.
- 5) No bids will be accepted by the LTBB after 4:00 PM, September 29th, 2016.
- 6) All surplus equipment is "as is." The individual that wins the bidding process shall be responsible for any repair costs that may be necessary.
- 7) Bids must specify which piece of equipment is being bid on.
- 8) Winning bidders must produce guaranteed funds for the purchase within 7 days of the winning bid notification in cash or cashier's check. (NO PERSONAL CHECKS)
- 9) The equipment must be removed from its current location within 7 days of the winning bid notification.
- 10) The LTBB Maintenance Department reserves the right to reject any and all bids. We will compare bids to the current salvage value of the vehicles and no bid below the salvage value will be accepted.
- 11) All conditions must be satisfied and/or approved before final authorization to take possession of the equipment will be approved.

Assets:

1. 2001 Ford F-250 Pickup Truck
