

# Digital Storytelling Workshops

January 23rd through 25th, 2018

Time: 8:30am-5:00pm

Location: Odawa Hotel

Save The Date!

Join the LTBB Cultural Library for a Digital Storytelling workshop series.

There are only 8 spots available for the first workshop - FIRST COME, FIRST SERVE..

But don't be worried! There will be two more workshops at later dates.

These storytelling workshops will tie in cultural identity, as well as genealogy, and help us as a community understand a bit more about each other.

The story itself will be oriented around you!

More details to follow, so stay alert.
