

LUCKY DRAW

This year, the LTBB Mnozhiyaa Department's very own Billi Jo Head, who works with the Reach Grant, is providing some incredible incentives to assist you in living a healthier lifestyle!

For each "Move-It Monday with Marlene" you attend and for each event you participate in at the Michigan Indian Family Olympics, a ticket with your name will be added into the raffle. The more tickets you have, the better your chances.

Fitbit to promote physical health

Hammock to encourage relaxation

Bullet blender to aid healthy eating

The final drawing will be held at the MIFO event on Friday, July 20th. You must be present to win.

Pictures do not depict exact incentive models.
