This program is funded by the US Department of Education's NACTEP Grant.

Entrepreneurship Essentials

Students who complete this certificate will be well positioned to start and manage their own businesses successfully.

WOCTEP and NCMC have partnered to create a program that offers current business topics, excellent instruction and a very hands-on, practical approach to entrepreneurship.

Regardless of the type of business students are either currently in or have plans to start, this program will provide the needed tools.

Program Highlights

Entrepreneurship Essentials certificate program takes students through courses like *Advertising and the Entrepreneur*, *Legal Issues for Entrepreneurs*, *Human Resource Issues* and *Technology and Entrepreneurship*

Students will gain valuable knowledge in communication skills as well as accounting procedures.

This is simply a highlight of what Entrepreneurial Essentials offers students to better prepare them for the business world.

For more information, please contact us!

This certificate is offered through North Central Michigan College in partnership with the Waganakising Odawa Career and Technical Education Program.
