Ishkakimikweng Gmaamwizmi

LTBB Earth Week 2014

Community Health Educator,  
Regina Brubacker-Carver and  
Environmental Services staff  
will be readying the  
greenhouse for this year's  
plantings. Bring your gardening  
gloves and hand tools if you  
would like to give us a hand.

Through our partnership we  
will be able to give out a limited  
number of patio containers  
with the dirt, soil amendment  
(compost from Elder's  
luncheon), a starter cherry  
tomato plant and various  
seeds. Instruction on care of  
your container and starter plant  
will be provided.

Looking forward to seeing  
some "Green Thumbs"  
getting it done!
