

**OFFICIAL NOTICE**  
**LTBB TRIBAL ELECTION BOARD**

**On Saturday, June 1, 2018, Tribal Citizen Sharon Sierzputowski requested and received Recall Petitions for Tribal Council Member, Shanna Wemigwase. Through Recall Petition Receipt dated June 1, 2018, the Election Board stated that to be a valid petition 156 registered voter signatures are needed. These 156 registered voter signatures purportedly represented the constitutionally mandated 20% minimum of registered voters' signatures who voted in the last election. However, the 156 number was incorrect. The 20% corresponds to 156.2. As per settled court precedent, the Election Board has the duty to round up the number to make sure that the mandated 20% minimum was met. In this instance the required minimum of signatures is 157 signatures.**

**On Friday, August 31, 2018 at a regularly scheduled meeting of the LTBB Tribal Election Board, Tribal Citizen, Sharon Sierzputowski returned a recall petition for Tribal Councilor, Shanna Wemigwase.**

**The petition contained 175 signatures. The Tribal Election Board verified 171 registered voters. This petition is a valid petition.**
