RE: Root Canals

Contract Health Services is a federally funded program that LTBB utilizes to pay for eligible patients' services that are referred from the LTBB Clinic and the LTTB Dental Clinic.

Due to Contract Health Services budget constraints, CHS will no longer pay for dental root canals that are referred to an outside provider.

Root canals that can be completed here at the LTBB Dental Clinic will be done per individualized dental plan.

I am sorry we are no longer able to cover the cost of root canals from outside providers.
