

LTBB Housing Commission
Fourth Quarter Report
November 2016-December 2016

The LTBB Housing Commission consists of Chairperson Patrick Wemigwase, Secretary Annette VanDeCar and Commissioners Larry Stead and Judith Pierzynowski.

From the November 2016 meeting, commissioners were informed that the LTBB Housing Department put a notice in the December 2016 issue of the Odawa Trails newsletter alerting tribal citizens of the Home Improvements Program change with environmental reviews now required to be compliant with HUD. The notice advises tribal citizens that it can take up to three to six months to process the reviews and that there is a possibility the environmental review could come back with a negative impact, in which case, could be cause for denial. The notice continues to run in the newsletter.

The LTBB Housing Commission did not hold an official meeting in December 2016, instead, the commission hosted a Christmas potluck in which it invited the Chair and Vice Chair as well as the LTBB Housing Department staff.

The commission is not meeting in January 2017, and its next scheduled meeting is February 3, 2017 at 5:30 p.m.

Respectfully submitted by Annette VanDeCar, Secretary of the LTBB Housing Commission
