**RESOLUTION 02029703
MANAGEMENT OF HEALTH PROGRAMS**

WHEREAS the Tribal Council supports the applications to the Indian Health Services Tribal Management grants for funds for FY 1997-1998 for the Little Traverse Bay Bands Health Department Management Development Project;

WHEREAS the Little Traverse Bay Bands of Odawa Indians wishes to provide for the perpetuation of our way of life and the welfare and prosperity of our people, to preserve the right of self-government, and to protect our property and resources;

WHEREAS Public Law 103-324 of September 21, 1994, reaffirmed the federally recognized status of the Little Traverse Bay Bands of Odawa Indians;

WHEREAS a tribal health survey has been completed to identify the health needs of our Tribal members, and other American Indians, who live within the Tribe's service area;

WHEREAS meeting these health needs requires a sound management structure directed by a core group of program directors trained in management principles and supported by tribal administration. This core group should be familiar with health department needs and funding. This group will give the health department managers the support they need to plan future programs and seek funding to meet the substantiated need;

WHEREAS the Little Traverse Bay Bands Health Department Management Development Project is designed to meet these goals;

THEREFORE BE IT RESOLVED THAT the Tribal Council of the Little Traverse Bay Bands of Odawa Indians authorizes Tribal Chairman, Frank Ettawageshik, to make such arrangements and execute such documents as are necessary to apply to the Indian Health Services for funding for the Little Traverse Bay Bands Health Department Management Development Project.
