For each weather term, you can add a tense to it to indicate when the weather is happening.

For example:

**Giigimiwan.** / *It was raining.*

**Jiinaagwa giigimiwan.** / *It rained yesterday.*

**or**

**Wiigimiwan.** / *It will rain.*

**Waabang wiigimiwan.** / *It will rain tomorrow.*

Another prefix that can be used is 'maajii-' to indicate that the weather is starting.

For example:

**Maajigimiwan.** / *It is starting to rain.*

**Maajibiisaa.** / *It is starting to rain.*
